Issued at .7.12am CST

The Victoria River Bridge - 200 km west of Katherine – is now closed to traffic. It follows heavy rain in the catchment overnight.

Water from the Victoria River is 400mm above the deck of the bridge at its shallowest point. The gates to the bridge have been shut and locked.

Motorist message alert boards in Kununurra and Katherine have been updated.

There is a lot of water on the road between Katherine and the Victoria River.

Gorge Road is impassable at Maud Creek.
